Internship/ Clinical Training

Internship is a mandatory degree award requirement comprising of three (03) credit hours for the Pharm- D Program. This internship is carried out during the 7th and 8th semesters. Pharm. D students are also required to complete three international certifications (non-credited, equivalent to 3 credit hours in total) over the period of five-year program as a mandatory condition for degree completion. Each certification will be considered equivalent to 1 credit hour if it comprises at least 16 hours. A Capstone project is a mandatory degree award requirement of three (03) credit hours for the Pharm. D Program. A capstone project is a multifaceted body of work that serves as culminating academic and intellectual experience for students. Students must complete hospital and industrial training in recognized institutions. The training areas include:

- a. Hospital pharmacy
- b. Community pharmacy
- c. Pharmaceutical manufacturing
- d. Quality control and quality assurance

Moreover, clinical training in hospitals is an integral part of the curriculum. Currently the Faculty of Pharmacy has undergone MOUs with the following hospitals for the conduction of the training:

1. Lady Reading Hospital Peshawar.
2. Khyber Teaching Hospital, Peshawar
3. Hayatabad Medical Complex, Peshawar
4. Rahman Medical Complex, Peshawar
5. North West General Hospital and Research Centre, Peshawar
